**Friday, July 3rd**  
**Decoration from 9:00am to 11:30am**  
**Location: Community Room**  
*(family members are welcome to assist their loved one and bring any additional decorating items)*

**Here are some ideas to get creative:**

- **Red, White, and Blue Mania:** Deck out your wheelchair or walker with festive colors using:
- **Streamers and Ribbons:** Wrap them around the frame or handles for a colorful effect.
- **Flags and Bunting:** Small flags or red, white, and blue bunting can be attached to the backrest or frame.
- **Stars and Stripes:** Cut out shapes from colored cardboard and attach them to the back of your wheelchair or spokes.
- **\*\* Patriotic Themes:\*\*** Go for a "God Bless America" theme with flags and patriotic images, or a nostalgic feel with vintage-inspired elements.

**Get Crafty:**

- **Decorated Walker Baskets:** You can find 4th of July-themed baskets or bags to attach to your walker for both decoration and functionality.

**Remember, Safety First:**

- **Ensure any decorations are securely attached and do not interfere with the functionality of your mobility aid or pose a safety hazard.**
- **Have Fun!**

Enjoy the process and let your creativity shine through. Don't forget to share your creations and your accessible 4th of July celebrations with others.
